Learning
Rob the Policeman visited last fortnight. The children were intrigued with the process of taking finger prints and were excited to be able to climb into the police car. The children asked many questions, a lot to do with chasing robbers and getting bad people. Our over arching message to the children is that “Police help keep us safe”

Parent/teacher interviews
I will be available for interviews from today until the end of term. Please make a time at your convenience.

End of term party
We will be celebrating the term with a party. Please bring a sweet and savoury plate to share. Please note the children still need their water bottle and fruit.

Healthy party food is the preference. Children will be dismissed at 1.30pm.

Cleaning Roster
At the end of each term we ask families to contribute in helping with small cleaning jobs. Please place your name next to a job. (list on the kitchen bench)

Fundraising due
Wed 25th March

 Regards Vicki
